## INTERPHONO

**Interphono Divendres 2/06/2010 22:00h entrada 6€**

Interphono is a band inspired by Placebo, Foo Fighters, The Ting Tings and Internet, mixing Indie - Rock - Electro with Pop structures and lyrics in Spanish.

Conectado is their debut album, where they tell without constraints their stories, yours, those of all of us who live in this world full of changes, control, computers, and those about how the human relations have changed in recent times.

It was recorded between Tiana and Sonologo Studios in Barcelona, in August 2009.

It was mixed in London by Erik Aldrey who has worked with Durar Duran, Ladytron, Tom Vek, Superthrillers and Little Louie Vega; and also mastered in London by Dick Beethan from 360 Studios: Pe Shop Boys, Glasvegas,

Stereophonics, Dirty Pretty Things, Jeff Beck, among many others

Aleph Aguiar: musician - composer who has played in bands with Paula O'Rourke (USA), bassist from The Animals; also with Eric MC Fadden (USA), member of George Clinton & Funkadelics; and with J.A. Mato, drummer and ex-member of Macaco.

Rob Gibiaqui: drummer, who finished in March 2009 a fourteen months tour with the Russian Popstar "Sergey Lazarev", recipient of a Russian MTV Award 2008 for "Artist of the Year"; and also plays for Javier Weyler (drummer of the British band Stereophonics) in his side project Capitán Melao.

**MIA Fusión / Electroacústica / Lírica**

Light lyric Soprano, Mia has been performing Classical, Musical Theatre, Crossover and sacred repertoire for approx. 10 years. She studied classical and vocal techniques at the Conservatory Esmuc lyrical and modern song in the Music School Juan Pedro Carrero, both in Barcelone. Majored in Crossover and received masterclass with Fernando Bañó(Choir..s director) and Rocío facks(Jazz singer). Participated in Ensembles and studied two years of Drums-percussion and singing art applied to grupal too. Actually,formed a duo with the italian pianist-Iri Aisemberg and lead vocals of Mia & Musicians" band-formed by differents musicians from different genres but all concened in the musical fusion, for example: "Elemental"- her studio work includes a special production, since 2007(classical alternative). Her intimist voice adapt themes of others artists with one object: escape to emotions. Finally, this

album is performed with all influences of diferents musicians and with details too. For this year 2009, Mia & musicians will make acoustic concerts of this album and the next official presentation in Barcelone.Actually she..s iniciated with the saxo-tenor and she..s chant..teacher and coordinator of Musa..School since 2001 too. Mia is grateful for the continuing support of these musicians and loves other project "Goodness"(2010)-an album with some composed songs in her personal style with a versatile voice in lyrical-mystic ambient."The repertoire of the cd will reflect my aim to make crossover"-Mia.
